

Meet the Team!

We have had a slight restructure here at TVS so thought it might be useful to let you know about our new roles at the children and young people team.

Paul Kreczak p.kreczak@tees.ac.uk

Paul is the new strategic lead for children and young peoples wellbeing. He will oversee the work and development of the CYP team.

Mark Dobinson m.dobinson@tees.ac.uk

Mark is the Yes! Coach manager. Mark can support your school to create a tailor made coaching package to enhance your PESSPA offer and upskill your staff.

Nigel Hornsby n.hornsby@tees.ac.uk

Nigel is the children and young people development officer working on school games and with partners developing opportunities in mental health, secondary school children and family activity across Tees Valley.

Tracy Raynor t.raynor@tees.ac.uk

Tracy is the active education officer currently working alongside schools, early years settings and with partners aiming to increase physical activity opportunities and knowledge across the Tees Valley.

Chris Fairless, who was responsible for the Talent Plan project, has sadly left the team but we wish him all the best in his new role. We will be looking to reappoint someone for Chris' role and will keep you updated.

Primary PE & Sport Premium

Unspent PE and sport premium grant funding

Any unspent grant can be carried forward into the 2021 to 2022 academic year.

Any under-spends carried forward from the 2019 to 2020 academic year, and the 2020 to 2021 academic year, will need to be spent in full by **31 July 2022**.

Reporting

You must publish details on your school website of how you've spent your PE and sport premium funding by the end of the summer term – **31st July 2021**

A revised template was released July 2021 – click on the picture above to access this.

Primary PE Sport Premium is no longer a focus piece of work set by Sport England for Tees Valley Sport, therefore updates will be given through newsletters and no longer by targeted workshops. If you do require any further support with the premium, you may still contact us at t.raynor@tees.ac.uk

Top Tips

Use the links below to find ways to spend this year's PE and Sport Premium grant effectively taking into account the opportunities and challenges presented by the Covid-19 pandemic.

Ensure you think about sustainability beyond the funding when planning!

Tees Valley Inclusion Network

We are delighted to work with Panathlon to bring our first face to face inclusion event of the academic year on Monday 11th October. We are welcoming 90 children to the bowling event at Sunderland and are excited to see them all in action!

We are holding our first inclusion network meeting of the year on **Thursday 14th October 2.30pm-4.30pm.**

The idea behind this longer meeting is that we would like to create a Tees Valley inclusion steering group that is not solely school based but is able to link community organisations to the schools offer. We believe to have the most impact on our young people, we need to collaborate to create more links between school and community and provide pathways and opportunities for inclusion both during and beyond school.

The first half of the meeting would be aimed at community organisations coming together and the second half, from 3.30pm, will be aimed at schools. Schools are welcome to join all of the meeting or just from 3.30pm.

Save
the
Date

The annual ice festival at Billingham Forum is due to take place **Thursday 9th December**

If you're wanting to join the inclusion network to help shape the offer for the children and young people across the Tees Valley and to find out first about the inclusion events taking place, please email Nicola Poulter at NPoulter@khs.rac.sch.uk or Tracy Raynor at t.raynor@tees.ac.uk and we'll send you the information.

IS YOUR SCHOOL CIMSPA READY?

A set of nationally recognised professional standards for those coaching children have been established by the Chartered Institute for the Management of Sport and Physical Activity (CIMSPA) on behalf of Sport England.

- The Minimum Deployment Requirements have been developed to help drive the quality of coaching delivered to children. We would encourage schools and partners to support coaches to access further training that would allow them to go beyond minimum requirements and meet the additional recommendations laid out here.
- These professional standards will help support the requirement for coaches to demonstrate the knowledge, skills and behaviours to work with this age group and in this environment. School leaders must ensure that coaches have the technical expertise for each activity they are delivering.
- Out of hours activities delivered directly by school staff or on behalf of the school are the responsibility of the Headteacher and governing body.
- Headteachers always need to ensure they are complying with their employers requirements regarding qualifications and evidence of coach competence. This will necessitate working to the employers minimum operating standards, which all coaches must meet.

- Closed Courses - email hello@britishdodgeball.com

27th November 2021

The Dodgeball Centre, Winterbottom Avenue, Hartlepool, TS24 0AL

£120pp

Did you know that dodgeball is the most in-demand sport in primary schools according to Ofsted, and that it is the 4th most played team sport amongst all young people aged under 16?

This is a blended learning course, consisting of 30 minutes of pre-course learning and then 8 hours of practical learning and assessment on a Level 2 coaching course. This coaching certificate enables participants to deliver dodgeball sessions independently as part of the British Dodgeball minimum deployment requirements.

HAS YOUR SCHOOL SIGNED UP TO KOBOCCA YET?

Benefits for your school:

- Simple and easy to use system which can provide evidence to Ofsted
- It usually cost £300 per school per year. You get it for free!
- It's great for organising internal and external competitions
- You can compare your information with local schools, regional and national statistics by using the standard national surveys
- Tailor your PE curriculum and extra-curricular programmes to meet the needs and interests of your pupils, easily identify intervention groups based on name level reports
- Helps you to gather data over the year which will create a picture of impact and highlight areas of need for you to address as you go
- A tool to understand and improve the health and well-being of pupils in your school
- Includes an age specific nutrition test to improve the nutritional knowledge and health awareness of your pupils
- Provides a platform for teachers to design their own surveys or self-marking quizzes/tests linked to ANY subject

KOBOCCA

For more information about signing up to Kobocca please contact either your SGO or Nigel Hornsby n.hornsby@tees.ac.uk
